Palo Alto, CA – July 18, 2008 – The Private Bank of the Peninsula, subsidiary of Peninsula Bank Holding Company, today announced the unaudited results for the second quarter of 2008. As announced on July 1, 2008 the holding company recently completed a secondary stock offering which raised over \$8.6 million.

“Thanks to our Clients, Shareholders and staff, we have been able to sustain our positive growth record in assets, deposits and loans,” stated Mark D. Mordell, Chairman of the Board. “Unfortunately our planned quarterly profit was negatively impacted by the need to write off a loan made to William “Boots” Del Biaggio. Overall, we are very pleased with our trends, and appreciate the confidence and support of our Shareholders and Clients.”
